NOTE FOR THE DIRECTOR

FROM: E. H. Knoche
Acting D/DCI/IC

Here, for CFI consideration, are proposed revisions to three NSCID's:

#2, dealing with overt collection

#7, dealing with critical communications, and

#8, concerning photo interpretation.

Revisions, to accord with the E.O., were made by a CFI working group chaired by

As you will recall, we have 90 days from the date of the E.O., that is, until mid-May to effect revisions and changes.

We recommend CFI indicate approval in principle but that final issuance be held off a few more weeks in the event that definitions and interpretations of all the new arrangements argue for additional revisions to these NSCID's. In short, we can continue working on revisions, but we ought to go slow in regard to final issuances.
